

# Where will you be on 11 March 2010 ?

The new-format 2009 industry Forum was an outstanding success, with some of the industry's biggest companies appearing and the hottest issues of the day discussed.

- The bigger picture - the economic outlook as the recession recedes
- The impact of changing consumer habits and of new production methods

Morning breakout sessions for touring caravans and motorhomes, caravan holiday home sector and the park home sector will enable examination of sector-specific issues. The afternoon will afford an opportunity for all sectors of the industry to join together and hear how others will meet the challenges ahead.
